Short Description

Smith Corona Memory Correct Portable Typewriter

Description

This is a small, convenient typewriter that is quick and easy to set up. It's very light, and the cover it comes with makes it suitable for traveling.

As the name suggests, it can erase mistakes, and can remember several lines of text (IE, you're able to back-space and erase for several lines).

Call me and set up an appointment to have a complete demo and a crash-course on how these manual typewriters work.

If you're in Cincinnati, I offer free delivery. If ordering it from outside Cincinnati, choose the option to add \$30 for shipping.
